PUREPOINT® FINANCIAL OPENS IN BOCA RATON

Fifth South Florida location offering a modern way to save

BOCA RATON, FL (April 11, 2018) – [PurePoint® Financial](#), a hybrid digital bank and division of MUFG Union Bank, N.A., today announced the opening of its latest Financial Center, in Boca Raton, aimed at committed savers.

Located at 201 Plaza Real #1205, in Mizner Park and blocks from the Boca Raton Museum of Art and Boca Raton Golf Club, the newest PurePoint Financial Center in South Florida builds upon the momentum of the five locations launched on the Southeast coast between Miami and West Palm Beach.

Beginning this week, resident of Boca Raton and those in the surrounding communities will be able to visit the PurePoint Financial Center and enjoy a modern, streamlined and cashless banking experience along with a relaxed setting and hospitality area. Clients will also enjoy market-leading rates on savings accounts and certificates of deposit (CDs), no monthly fees, and knowledgeable savings professionals who are available to answer questions about FDIC insurance¹ and how best to save.

“We think the Boca Raton community will embrace the opportunity to build savings at a time and place that makes sense for them, and we look forward to providing that service,” said Pierre P. Habis, President of PurePoint Financial. “We’ve built great relationships in each of our Florida-based financial centers and are excited to help members of this community pursue their savings goals.”

PurePoint was launched in February 2017 to provide committed savers with what they want — market-leading rates, the convenience and around-the-clock access that comes from banking online and the ability to meet with a savings professional in-person when needed. The hybrid digital bank has continued to offer a unique savings experience tailored to the evolving needs of consumers and emphasizing service to their clients and local communities. PurePoint exclusively offers savings accounts and CDs, and new online accounts can be opened within six minutes and funded from a mobile device.

“Miami was one of our first markets for PurePoint Financial, and this new Financial Center is our second in Palm Beach County – we’ve felt this region’s interest in finding a convenient way to save and are growing accordingly,” said Scott Van Wyngarden, director and Miami-area market executive for PurePoint Financial.
